

Prayer of the Month
"I Am Forever New Dr. Jay Scott Neale

Because I am one with Infinite Life, I now bring a wonderful new experience of living. Life is more fun than ever before, as I live from the heart of Love. I dare to do things I always wanted to do as I flow in the stream of success.

I know Divine Mind wants Itself to be abundant life in action as me. My relationship with this Truth improves greatly, moment by moment, step by step. I am a blessing to myself, and therefore, a blessing to my mind, body, and world. I flourish in and as this loving new atmosphere. I am overjoyed as I contribute the positive to my world, and let it contribute to me, above and beyond my dreams.

Peace of mind is my way to learn, and there is always more. I am free of everything un- like the beautiful. Renewed energy fills my being as I become more patient with others while daring to act more courageously myself. Today I choose to direct my thinking and action for the betterment of myself and others.

And so it is.
